03 Scoring

THE SET
First to 6 games
Every set, every round.

DEUCE
Golden point
The next point wins the game; nobody chooses who returns it.

AT 6–6
7-point tiebreak
Record the set as 7–6.

Total games, not sets won Squads rank on games won across all lines and rounds; every game counts the same. A Round 4 or 5 tie is won on the games in that tie.

Level in the standings
We look at game difference, then games won in the sets those two squads played against each other.

Level in Round 4 or 5
All three courts play one golden point at the same time. The squad that wins two of the three takes the tie.

4 sets
EVERY PLAYER

R1 + R2 + R3 + R4 or R5

A player on three or five sets disqualifies the squad. Check it every round.

04 Lines, waves and who plays

Each squad has three lines of four, fixed for the day. Line 1 only plays Line 1, and so on.

Who plays when, for a line of A, B, C and D:

Round 1	WAVE 1	A + B	WAVE 2	C + D
Round 2	WAVE 1	A + C	WAVE 2	B + D
Round 3	WAVE 1	A + D	WAVE 2	B + C
Round 4	PLAYS	C + D	RESTS	A + B
Round 5	PLAYS	A + B	RESTS	C + D

An example: you choose the pairs. Each player ends on four sets.

Rounds 1 to 3 are set and posted on every court; on the day you can change the pairs on up to two lines. For Round 4 you name the pair on each line that plays; the other pair plays Round 5.

06 At the score desk

AFTER EVERY SET

Report the score

The winners bring it to the desk straight away. It only counts once the desk has it.

ONCE ROUND 3 IS SCORED

Round 4 lineup

Pick up your matchup. Hand in the pair from each line who will play.

ONCE ROUND 4 IS SCORED

Round 5 lineup

Pick up your matchup. The pairs who sat out Round 4 play.

Private Round 4 and 5 lineups stay private until all four captains have handed theirs in.

07 Your job as captain

1. **Pick a vice-captain before Saturday.**
   Someone to cover for you while you're on court.
2. **Get everyone there by 8:30.**
   Then to their courts on time all day.
3. **Keep the courts full.**
   Have the next pair waiting before the court frees up. Empty courts make the day run late.
4. **Know your waves.**
   Who plays each wave, and who plays Round 4 or Round 5.
5. **Settle disagreements calmly.**
   Replay the point, then go to the front desk if needed.
