Next point wins the game

AT 5–5

08 Score desk: Rounds 1 to 3

1 **Winner brings the score**
Find that court's card on the **Courts** tab

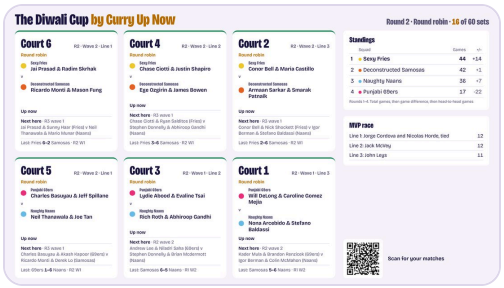

2 **Tap the games, then Save**
Home squad top row, away squad bottom row. Only 6–0 to 6–5 is accepted

3 **Write it on the desk sheet**
The card moves to the court's next set; TV and phones follow in seconds

Courts tab: one card per court, the set that's up, and the court's last result with **Fix**.

COURTS	Tie A: Courts 6, 4, 2 = Lines 1, 2, 3. Tie B: Courts 5, 3, 1 = Lines 1, 2, 3. Each court plays wave 1, then wave 2
RE-PAIR A LINE	Pairs preset and posted on every court; re-pair up to two lines per round on the day. **Lineups** tab → round → new split (not once the line has a score that round)
RESERVE PLAYS	**Check-in** tab → **Reserve** by the missing name. Squad keeps the games; that name leaves the MVP race
"NOT CHECKED IN"	Name in red on a court card: tell the captain
STATUS DOT	● **Live** all sent · ● **Sending** · ● **Offline**: keep entering, scores send themselves

The TV: each court's set, next up and last result; standings and MVP race on the right.

STARTS WHEN	Every Round 4 score is in and any decider is settled
FINISHED	TV top line shows Champions and Third; standings become Final placings

10 If this happens

Late player	Captain chases; other courts carry on. No show: Akash calls a forfeit or a reserve plays TO CONFIRM 5
Forfeit	Akash calls it. Court card → **Forfeit (6–0)…** → tap the pair that didn't show → confirm
Wrong score	**Fix** on the card's Last line, or on All matches. **Clear** (tap twice) if on the wrong set. Correct the sheet
Wifi drops	Keep entering; it all sends when the signal is back. Long outage: phone hotspot. Check-ins need a signal
Laptop dies	Open **#control** on another device. Check the last sets against the desk sheet; re-enter any missing
TV frozen	Wait 30 seconds, then F5. Nothing is lost
Dispute	Replay the point; still stuck, Akash or Rich. The desk records, it doesn't rule
Running late	Akash's call: **End without finals** on Courts (after Round 4, before any Round 5 score; tap twice). Round 4 standings stand: 1st wins the Cup, 3rd takes third TO CONFIRM 4
