04 Setting your Round 1 to 3 pairs

Who partners whom, and which pair plays which wave. Once all four captains submit, the pairs go live everywhere.

1 · Open your link

From Cleon, or scan the QR and find your name

2 · Enter your number

It becomes your key: use the same one on the day

3 · Pick and submit

Each round and line: pick the wave 1 pair; the other two fill wave 2

Change of plan? Resubmit until all four captains are in. Then the pairs lock: no changes, even on the day.

Rounds 4 and 5: same two waves, everyone plays; hand lineups to the score desk (section 06).

05 Game day

FINALS · TWO WAVES, EVERYONE PLAYS

Round 5
